## From the RGM

**In the past few years across our junior competition, we have introduced grading to ensure teams and participants are at their most appropriate levels**

The teams are graded at the start of each season based on the previous year's performances and the movement of players in and out. After four weeks, where results demonstrate teams are not in the correct grade, they may be regraded up or down to find the most appropriate level. While there is always someone at the top and someone at the bottom of the ladder, statistics taken over a number of years across numerous competitions demonstrate this form of grading and regrading is the best way to provide the best environment for all participants.

In the senior competition we have promotion and relegation providing a form of grading with reserves teams mirroring their senior team.

**One competition where no form of grading presently occurs is the under 18's. Is this the best structure?**

While wholesale changes and regrading like the junior competition might not be necessary, the movement of some teams may be in the interests of everyone, most notably clubs and players.

When grading the under 18 competition was recommended to clubs last year, the key factor in not embracing this structure was they do not want to change from the current historical schedule of three games in one day against the same opposition at the same venue. Revenue, logistics and strain on volunteers are some of the reasons. While acknowledging these are genuine concerns, if we found a system that better encourages competition and participation, would it be best not to start with this and then find ways to address any concerns?

Both the EFL and AFL Barwon have introduced these systems with great success. Some whom were initially sceptical, now see the benefit.

The transition age groups, under 16 and 18, are the hardest in keeping young men playing the game. Creating the best possible environment for them to play in is the responsibility for all of us. We will continue to do the research and talk to clubs about how we best structure our competitions to get the best result for all.

Wholesale grading might not be required, but if a club knows they are going to have a weaker team, or a strong one for that matter, we should encourage them to consider the best possible spot for them to play and we as a league will work with them with regards to fixturing to make it as seamless as possible. It is vital that we continually review and assess competition structures to ensure they are conducive to growth and sustainability, whilst providing competitive balance.

The AFL Outer East Commission will work with all clubs in developing a grading policy for Under Age football.

Focus areas will include

- Is 18's or 19s our best age group moving forward. Junior clubs support going to odd age groups, with senior clubs remaining reticent.
- Develop and implement fixturing systems that facilitates future growth of competition numbers, whilst endeavouring to keep a "community feel"
- Encourage retention, including equalisation strategies designed to create competitive and sustainable football.
- What is the best structure for our Under 18 competitions?
- Game length, team numbers, modification of rules (last touch rule) should also be considered

Creating three regionally based Under 18 competitions is one proposal worth considering. This would provide the ability more even competitions, as well as minimalising travel for participants. This could be broken into the following

- Upper Yarra Valley
- Dandenong Ranges
- South East

This model would allow us to move clubs across the regional competitions depending on their level, whilst still minimalising travel.

As we continue to look at the best way to structure all of our competitions to create the best possible environment, it is an area of huge significance worth considering.

## 2019 AFL COMMUNITY UMPIRING WEEK

The significant role community umpires play in Australia's game will be highlighted during AFL Community Umpiring Week from April 29 to May 5.

The objective of AFL Community Umpiring Week is to increase the awareness of umpiring as a sporting choice or selecting umpiring as a choice as an alternative to playing our great game.

The additional awareness aims to foster support of umpiring and, in turn, assist with the recruitment and retention of umpires at grassroots levels.

To celebrate the occasion, from Monday April 29 to Wednesday May 2, AFL listed umpires will visit community umpiring groups to lead training and indoor-coaching sessions with local umpiring groups.

In addition, several young developing community umpires will head to IKON Park to develop their skills and knowledge of the game in a special coaching session under the guidance of some of the game's national umpiring coaches, participating in a community umpires' AFL Coaching Experience.

These opportunities are highly valued by local umpiring groups where their members are

provided with an extended chance to engage with members of the elite AFL umpiring panel.

Furthermore, each AFL Umpiring panel for all games across Round 7 of the Toyota AFL season, will be accompanied on to the field by four fortunate young, developing community umpires as part of their Community Umpires' AFL Umpiring Game-Day Experience.

The 2019 Community Umpiring Week will coincide with Round 7 of the Toyota AFL Premiership Season.

If you are new to the game, or your playing days are over, then umpiring is a great way to contribute to community football.

Regardless of your age, gender, culture or ability, anyone can get involved in umpiring and enjoy the many benefits the role provides.

Not only do you get the best view of the action, but it helps keep you fit, be part of a team and learn leadership skills that you benefit from in all walks of life.

For details on how you can become an umpire, visit [www.aflvic.com.au/umpiring](http://www.aflvic.com.au/umpiring) or <http://www.umpireafl.info/>.

Belgrave's first year Senior Coach Nathan Johns had to tweak his game-plan and structures after his sides round one loss to Monbulk and it paid immediate dividends as the Magpies knocked off Emerald by 21 points in their round two clash on Saturday.

Johns was pleased with his sides effort, intensity and pressure during the first round loss to Monbulk and felt that the Magpies had dominated possession and 'the play' for well over half of the game but couldn't make it count on the scoreboard.

Since his appointment Johns had studied the form guide and found that his troops had one of the smaller forward lines in the Division, even with big man Xavier Pauli entering the fray.

"We needed to tweak a few things to make us more dangerous on the smaller grounds, especially our own home ground,"

"It was my first time coaching a game at Belgrave (in round one) and the way we structured up wasn't ideal."

Johns had Belgrave working on their connectivity between midfield and forwards throughout the week heading into the Emerald clash along with the re-structuring of their forward line.

He pushed his tall forwards much closer to goal and made sure that his best ball users were the ones delivering the final ball inside forward 50.

The Magpies also made a conscious decision to stay wider for longer when moving the ball out of defence and changed their leading patterns and 'hit up' areas.

"How I want the boys to play, with our original structure, we are going to relish the bigger ground,"

"But we pride ourselves on our contest and tackling so that on the smaller grounds we will have an inside focus and enjoy our time on the bigger grounds."

"It's all a learning process for our boys."

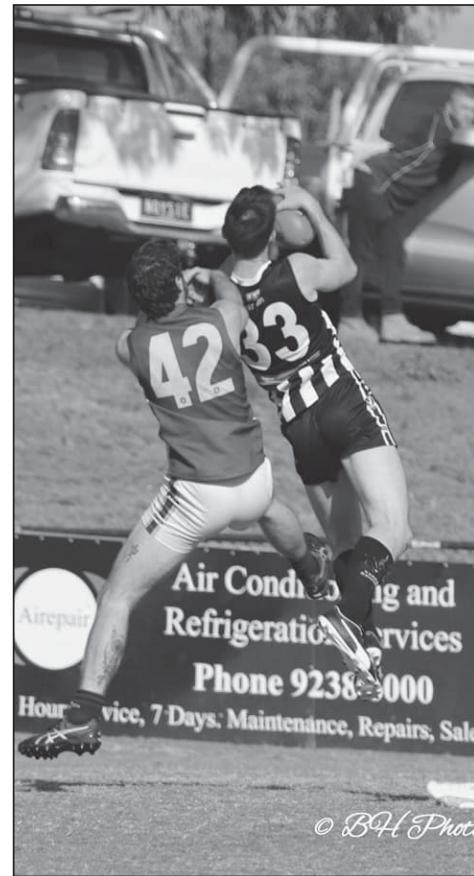

One of the Magpies boys that has impressed Johns has been mid-sized forward Joshua Richmond who has kicked five goals in his two games. Described by Johns as 'a lean 6ft'2 bloke who moves well' it's the forwards' ability at ground level that has been most impressive.

"I've been really impressed with his ground craft and Josh is a real leader on the training track and gets the most out of his game."

Johns will need his squad to continue getting the most out of themselves as they host Warburton Millgrove this weekend. The coach has a close connection with the Burras through friends who have played at the club and other links.

He is expecting a tough game against Warburton Millgrove after they took it up to early season stars Doveton on the weekend as Johns and his Magpies look for rare back to back wins.

"Whoever can win the battle of the midfield and take advantage of the contest will go a long way to winning the game."

## Umpire's Report

So far this season the Umpires are progressing along in a positive way out on the field.

After a reasonable yet disruptive pre season due to not having a suitable venue for training the umpires now have a home base or bases with two fixed training venues now on a Monday Night at Morrison Reserve Mt Evelyn on a Monday Evening and the Quarry Road Oval (of Mount Lilydale Mercy College) for Wednesday Evenings.

Training times for both nights are Juniors 5.30pm and Seniors 6.30 pm.

In the next couple of weeks you will see a change in the umpires uniform when they transition into the National Umpiring Uniform of the Yellow and

Grey. I would like to say thanks to the umpires for how they have accepted the on line ordering system that has been chosen by the supplier.

We have the AFL South East Umpires assisting us this season in games throughout the three divisions. This will see both groups umpiring together at the same grounds during the season.

Congratulations to Ken Taylor who officiated his 400th umpire game and Macy Dobson who officiated in her first Senior Game in Round One. These are both fantastic achievements and they are shining rights for their fellow Umpires.

If there is anyone wanting to become an umpire don't hesitate to contact Allan Grant 0412 220 002

## From the Media Desk

Round two is done and dusted across the AFL Outer East and whilst some clubs are loving the beginning of the 2019 edition, others are still looking lovingly back at what used to be. Here's the AFL Outer East Football Review for this weekend.

### **1. Tiger Tough**

Upwey Tecoma sit atop the Totally Workwear Berwick and Knoxfield Premier Division table after they defeated Olinda Ferny Creek by 44 points on a cold and breezy afternoon at Chosen Avenue.

The Tigers were the least talked about Premier Division side throughout the off-season with so much attention heaped on their fellow premier counterparts. But under (playing) coach David Bell the Tigers have looked impressive in their two wins over albeit depleted sides in Healesville and Olinda Ferny Creek.

Bell's troops look to have a good level of fitness and are well drilled with their ball movement, with the forward structure looking much more versatile than previous seasons. Daniel Waters kicked five goals once again to bring his tally to 10 goals for the year but was given more freedom to roam up the field now that the Tigers have other options to play deep forward.

Sam Waters was impressive despite finishing goal less, splitting or winning every marking contest he was involved in whilst Liam O'Brien and Lachlan Hughes took a number of marks inside the forward half and kicked one goal apiece.

Upwey were also very physical around the ball and their tackling/body blows left the Bloods with literal bruises, rather than just bruised egos.

For Olinda Ferny Creek there are obvious grumblings of discontent about their slow start to the year. Whilst they definitely don't have their best line up on the park at this stage, they were made to look slow both with their ball movement and with their literal leg speed.

They had opportunities throughout the game but failed to get quick deep entries to suit their forward line, who without the usual target of Charge haven't got the genuine height to take consistent pack marks. Get the ball in quicker and give them a chance one on one.

Olinda are a proud club and now is not the time to point fingers and find someone else to blame for their current misfortunes. Now is the time to band together and show what the Bloods are really made of.

### **2. Rovers rumbled**

At half time on Saturday it seemed like Mount Evelyn were sending another message to the rest of Hallam and Bayswater Truck Centres Division One.

They led Monbulk by 19 points at home and despite some awful kicking from the Hawks you would've expected Mark Fisher's men to grab their second win of the season considering the way the Rovers ran away from the Burras in the second half last time out. Plus the Hawks had looked very scratchy in their tough win over Belgrave.

The Hawks finally found their kicking boots in the second half and after six scrappy quarters to start their season they booted eight goals to four in the second half to come away six point winners. Nicholas Wall, Michael Langworthy and Shane Williams all kicked two goals and found a spot in the best six.

They say the sign of good team is winning the close ones and winning when you're not running on all cylinders. After their performance against Belgrave and with 22 behinds this weekend it's pretty plain to see Monbulk haven't hit their straps yet. Still the Hawks are 2-0 and will have extra home fixtures in the back end of the season when they get back on their new and improved home deck.

Watch out for the Bulk in 2019.

### **3. Big week for the Brookers**

It may seem like I have Gembrook-Cockatoo in the gun here, but I can honestly say I don't, it's just they are quite obviously the big talking point in the ATC Traffic Division Two. All the stuff we've heard before about the expectations on the club this season may be just outside chatter, but you can't tell me the club wasn't looking at a possible premiership this season.

Whilst their two losses so far seem to have come against two of the stronger opponents in the competition (Kinglake and Yarra Junction) there is already a pattern developing.

In both clashes the Brookers have been well in touch at the halfway point. In round one they trailed by just eight points and on the weekend they trailed Junction by just six points. Both games looked to be classics in the making.

Collectively the Brookers have now lost their second halves by a total of 54 points, conceding 17 goals in the third and fourth quarters collectively in 2019.

Could this be a sign of the young Brookers making the step up not having the engine to go the full four quarters?

Perhaps it is, but whatever the actual reason is for their second half fade outs, Brad Collier and his crew have to figure it out and fast. I'm not ruling the Brookers out of anything just yet, but they need a win and they need it now.
